Dear Sirs:

**RE: Letter of Appreciation**

I would like to take this opportunity to personally thank CIMS for assisting in making Alberta-Pacific Forest Ind.'s 2007 Annual Maintenance Shutdown a success through the commitment and professionalism of your company. You and your fellow team members are to be commended for the leadership your supervision displayed and the qualified trades people that were provided; in particular to the recovery boiler floor and circulation jobs.

Your company's efforts are greatly appreciated and we continue to consider CIMS a valuable resource both in our past and future successes.

Thank you again for your outstanding contribution. We look forward to working with you on future endeavors.

Sincerely,

Al Ward, MBA
